

Privacy Policy

Hypnosteps.com takes your privacy very seriously. Read the policy below to understand how we will treat your personal information when you use our site.

Your Email address

Whenever you access Hypnosteps.com website we will treat your email address with the greatest of respect. We will never sell it, exchange it, or give it away.

Your email address may be used to:

- make sure your products are delivered and you receive your purchase
- keep you informed of new products or special offers

You may unsubscribe at any time using the link embedded in every email, and your address will be deleted from our records.

What sort of personal information do we collect?

When you buy from the site, we will collect information about you necessary to process your order. This information may include, but is not limited to details such as your name and your email address.

Hypnosteps.com does not have access to your credit card details. Your credit card will be processed by PayPal.com, a world-renowned credit card processor which protects you and keeps your credit card information secure.

What do we do with your personal information?

We use it to provide with the best possible service. We do not sell, rent or trade your personal information. We may use it from time to time to inform you of developments that we think you would be interested in. You can withdraw from these updates at any time by contacting us or by using the unsubscribe link that you will find in every email communication from us.

Consent

By disclosing your personal information to us using this website you consent to the collection, storage and processing of your personal information by Hypnosteps.com in the manner set out in this Privacy Policy. You may revoke this consent at any time by contacting HypnoSteps.com or by using the 'remove' link embedded in every email you receive from us.

Security

If you are worried about ordering over the Internet, rest assured that our secure server ensures that your personal details required for online transactions are 100 % secure.
